

HER MAJESTY QUEEN ELIZABETH

WINNIPEG, CANADA, MAY 24, 1939

TO QUEEN ELIZABETH

LONDON Bridge is falling down,
Falling down, falling down,
My Fair Lady.

Be it said to your renown

That you wore your gayest gown
And bravest smile

AND STAYED IN TOWN!

While London Bridge

Was falling down, falling down,
My Fair Lady.

(Tribute to The Queen from Chicago Tribune)
